SECY. DEV. DEPT. 11 DEC. 1939

Dear Sir,

Subject: Show-room in the Choultry at Tirupathi and agencies at Delhi for the sale of Mysore products.

---

1) With reference to your demi-official letter No.D.2929/I & C.332-39-2 dated 6th December 1939,on the above subject, I write to state that the suggestion about opening a Sales-room at Tirupathi was made by the Second Member of Council when he was the Muzrai Commissioner. I said that it would be possible to open a Show-room there provided that the required accommodation could be made available in the Choultry and the official in charge of it was made responsible by payment,if necessary, of a suitable allowance to maintain accounts and be in charge of the Sales Room. Having had no reply from the Muzrai Commissioner it was not possible to take any action.

2) Even now if I am furnished with the details regarding accommodation etc. available I can make arrangements to have a Show-room opened, in which case it will be placed under the control and supervision of the Sales Officer at Madras.

3) As regards agencies for the sale of Mysore productsat Delhi, attempts are being made to find suitable persons to take up such agencies. But though enquiries were made and proposals received from a few persons,these have not materialised so far. The difficulty is in finding persons who would undertake to deal solely in Mysore products and not in competitive products.

(PTO)

In the line of art ware there is considerable amount of competition in Delhi while in the line of furniture the transit charges and the risk and damages in transit are so heavy that people hesitate to take up these lines. However, further attempts will be made in this matter and the result reported to Government in due course.

Yours sincerely,

P.H.Krishna Rao,Esq.,M.A.,
